

OURAY, COLORADO

The 38th state, joining in 1876 is America's eighth largest in terms of land mass.

KNOWN AS: SWITZERLAND OF AMERICA

Bring your hiking shoes and feel free to enjoy everything from dining to shopping straight from the trail. Being named as the Switzerland of America gives you a heads up on how breathtaking the scenery is. The town feels like you are in an old western movie set without being over commercialized. The million dollar highway is worth an afternoon drive after a hike and before dinner out. If you have a motorcycle this would be a truly epic drive.
